

FINANCIAL POLICY

This statement is to inform you of our financial policy. We are committed to providing you with the highest quality dental care using only the best material and technology available in the market today. We are also committed to providing you with up-to-date information and educational tools so that you may fully participate in maintaining optimum oral health. Our financial policy is intended to facilitate excellent service to you while minimizing our administrative costs.

Payment is due in full at the time services are provided. Should you have dental insurance, your estimated portion will be due at the time of service. Our office accepts cash, personal checks, MasterCard, Visa, American Express, and Discover. Outside financing is also available through Capital One.

If applicable, as a courtesy to you we will process all your insurance claims. You may direct your insurance company to pay your benefits directly to our office by signing the authorization on the Assignment of Benefits Agreement. All charges you incur are your responsibility. We must emphasize that as your dental care provider, our relationship is with you, our patient, not with your insurance company. Your insurance policy is a contract between you, your employer, and the insurance company. Our office is not a party to that contract. If payment from your insurance company is not received within 60 days from date of service, you will be expected to pay the balance in full.

Returned checks and balances older than 60 days may be subject to collection fees and finance charges at the rate of 1.5% per month (18% annually).

If you have any questions regarding our financial policy, please ask. We are committed to providing you with the most positive experience in dental care.
